## DIRECTOR OF OFFICERS MODERATOR

**David Wright**

David Wright was born in Watervliet, MI 1969, to Pastor George J. Wright and Joyce Wright. His father was a pastor in Michigan, Kansas, and Arkansas. David lived in Coloma, MI until the age of 10 when the family moved September 1979 to Kansas City, KS. He was saved around this same time and later baptized by the authority of Landmark Missionary Baptist Church of Kansas City, KS in May 1982 where his father pastored.

After graduating high school and while attending college studying engineering he took a job at M.J. Harden engineering firm thinking his career was set. During this period of time he married Karen J. Wright the daughter of Pastor Richard and Vivian Bunn on December 31, 1988. Six months after being married, a three year struggle was realized that David Wright has been called to the pastoral ministry. Having announced and surrendered to this call they sold their house, quit their jobs, and moved to Little Rock, AR to attend the Missionary Baptist Seminary 1991.

Securing a job with Garver & Garver Engineers of Little Rock, David started his seminary training. He received a Bachelor of Bible Languages Degree May 1995 and Master of Bible Languages Degree May 1996.

After serving as fill-in preacher for many churches he finally accepted his first pastorate with Lakeview Missionary Baptist Church of Wynne, AR in 1994. He was ordained in June 1994 by Antioch Missionary Baptist Church of Little Rock, AR. He has gone on to pastor in Arkansas, Michigan, and Kansas. He has been the pastor of Antioch Missionary Baptist Church of Little Rock, AR since 2020.

Bro. Wright has also served many different local, state in regional association roles. He has directed camps and retreats. Taught and served as Dean for Michigan Missionary Baptist Seminary. Worked as a missionary and a sending church pastor to foreign and interstate missionaries.

2022 Annual Report

To the Churches of the Arkansas State Association of Missionary Baptists:

On behalf of Alpha and Omega Baptist Mission and First Missionary Baptist Church of Mabelvale, I want to express our sincere gratitude for your prayers and support during these past years.

This year we continue working fulfilling the great commission of the Lord Jesus, visiting homes with the word, and delivering brochures in some self-service stores both in Mabelvale and Jacksonville.

In the month of March, we shared a Homiletics course for some brothers of the Church who attended to better preach the word of God both inside and outside the Church.

The temporary workers have arrived in Earle, Arkansas, in the sweet potato harvest and we will be working with them with the gospel.

On the seventeenth of April, we had a baptism and in July two more people accepted Christ.

Thank you for your prayers and financial support. If you have any questions, feel free to call my Pastor Roy Polk at 501-554-3252.

Again, thank you.

Sincerely,  
Jesus Gabriel

## Beautiful Hope Baptist Church

November 3, 2022

To the Churches of the Arkansas State Association of Missionary Baptists,

On behalf of Iglesia Bautista Bella Esperanza and El Dorado Missionary Baptist Church, I want to express our sincere gratitude for your prayers and support this 2021-2022 year. Your faithful support and prayers have allowed us to continue to stay on the mission field. Your efforts don't go unnoticed; thank you from the bottom of our hearts!

Hallelujah, this year we had five saved, one baptized, and one added by letter. My family and I rejoiced that one of those saved was our eight year old son, Ezekiel! His mother had the joy of leading him to the Lord. Our average attendance this year has been 37 for our Sunday Spanish worship services, and 15 for our English Services, 25 for our Sunday School. Our people are serving and the Lord continues to provide to cover our expenses as we continue to move forward with the work.

We continue to reach and impact our community. This year I was recruited to serve the Springdale Police Department as a Chaplain Volunteer. The goal is to serve both the officers and the community, both of which are hurting everywhere. I'm grateful for this open door. In reaching our community, we recently had the opportunity to setup a Kids Zone at one of the biggest events in Springdale. ArkanSalsa is a multicultural community event that helps raise funds for scholarships while immersing people in many of the Latin American cultures. Our biggest focus is sharing gospel bracelets with children and parents, and loving on our community. We know that the Lord will bring forth fruits from our efforts.

Last year our lease was extended for two years without an increase. We were so grateful for that however; time has gone by so fast, that we're now on the last year of that lease agreement again. This coming October we'll be having that conversation again. Pray for us and our sending church as we make decisions about this.

Finally, never stop praying for us and all missionaries in the U.S. and abroad! Because of the calling we have, we face the relentless attack of the enemy. This year my family and I went through the most stressful, painful, and heart wrenching time of our life. Pastor Daniel Clark and some close friends came along my side and faithfully prayed for us. Our loving, faithful, and gracious God gave us the victory and brought us out of that difficult situation. Please continue to lift my family and this work in your prayers! If you have any questions or concerns, don't hesitate to give my pastor, Daniel Clark or I a call.

Sincerely  
Bro. Joel Hernandez

## Summit Baptist, Springdale

### 2022 Annual Report

Dear Churches of the Arkansas State Association,

Thank you for your continued support, prayers, and encouragement. God continued to bless as we completed our fourth year on the field in Springdale.

**Attendance.** We have expanded our ministries. We completed the first year of midweek Kids and Teen Classes and have begun a second year. We continue to meet on Sundays for worship and have 3 Life Groups that meet on weeknights. For the associational year, weekly average attendance was 44 people on Sundays, 31 people for Life Groups, and 25 people for Kids and Teen Classes. We are thankful for God's blessings!

**Membership and Growth.** We received 8 new members in the associational year. We are thankful for those who made commitments to God. We welcomed many guests. Some joined with us, some did not continue with us, and some need to make decisions. We have seen much growth as several people have taken their next steps to follow Jesus.

In July, we hosted the Summit 2022 Mission Trip where 113 people from 8 churches came to Springdale to help us reach our community. Another 32 people from Summit Baptist served as well. We have already seen results from these outreach efforts. God is good!

**Land and Building.** We purchased 7.74 acres in Springdale in August 2021. This is in a great location on 48th Street near Interstate 49 and Highway 412 (Sunset Avenue). This land cost over \$610,000, but we only had to borrow \$190,000 to make the purchase. God paid the land debt off in 10 months. Praise God!

We will continue to rent our building until at least October 2023. This storefront has been a great blessing, but we are limited in space for ministry. We are seeking to take the next steps to develop the land and build a building. We will need to have funds on hand and to secure financing to move forward. We welcome any one-time offerings or monthly support to help us take the next steps. Please pray for us as we move forward.

**Finances.** Thank you to all who give offerings to provide my salary through Arkansas State Missions, and thank you to all who send offerings to our sending church for land and building needs. Our people give financially and pay all utilities and ministry expenses. We also set aside \$3,000 per month for future building work. We gave \$5,000 for the Arkansas State Mission Project 1st Quarter 2022 Offering and over \$5,450 for the Interstate Mission Development 2nd Quarter 2022 Offering, both of which helped pay down our loan debt. We are thankful for these blessings. The work ahead will require many resources, and we want to be good stewards.

Thank you for your prayers, encouragement, and support!

Thank you for your prayers, encouragement, and support!

## **STATE TREASURER'S REPORT 2021-2022**

To the Churches of the State of Arkansas,

I want to start this report by saying how thankful I am that you have allowed me this wonderful opportunity to serve this great association. When I began this position, I thought that the treasurer only took care of the money, I was wrong. Bro. Eddie has been a great help to me and I appreciate all those who reached out to offer support. I tried to continue to use the bank that Bro. Eddie used, but as gas prices rose, I could no longer do that. You will see that there are two bank accounts at the time of this report and when all the checks clear at the end of August, the Merchants and Planters account will be closed. If you have any questions, please feel free to ask and I will answer to the best of my ability.

The Lord has blessed our association through your prayers and financial support. You all have given so graciously, and I am glad to have the privilege to get to know many of you through this position. As with any position, there were some hiccups along the way but nothing major as God lead the way through every trial. May the Lord bless you all.

It is a privilege to present to you the financial report for the 2021-2022 fiscal year.

In Christ,  
Gary Williams  
State Treasurer

## MISSION FUND REPORT

“Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.” Matthew 5:14-16

God has given us the task of being the light in a dark world. We have only three missionaries this year and they have done a marvelous work of sharing the light of Jesus. At the state meeting in 2021, the associational body voted to support three churches with monthly support for their respective missionaries. They are as follows:

**Bro. Micah Deaton** – Summit Baptist Mission in Springdale, Arkansas. Sponsoring church is Summit Baptist Church in Pine Bluff, Arkansas. Pastor Bro. Todd Anderson.

**Bro. Jesus Gabriel** – Alpha and Omega Ministries in Jacksonville and Mabelvale, Arkansas. Sponsoring church is First Missionary Baptist Church Mabelvale, Arkansas. Pastor Bro. Roy Polk

**Bro. Joel Hernandez** - Iglesia Bautista Bella Esperanza (Beautiful Hope Baptist Church) in Springdale, Arkansas. Sponsoring church is El Dorado Missionary Baptist Church in El Dorado, Arkansas. Pastor is Bro. Daniel Clark

Bro. Micah and Bro. Jesus are fully supported missionaries and Bro. Joel is partially supported.

The following report is both the financial report and the summary of reports submitted by each missionary throughout the year. Bro. Grantham is listed only through December as his support was ended last year.

Respectful submitted

# Arkansas State Mission Project Report

## 2022 Report

1 Thessalonians 5:18 says, “In everything give thanks, for this is the will of God in Christ Jesus concerning you.” We are grateful for the churches that fellowship together in the state of Arkansas and to those who give to this ministry. There are 105 churches currently contributing to ASMP and we invite you to prayerfully consider sharing in this ministry.

The fourth quarter funds of 2021 went to help at Budd Creek. We were able to present a check in the amount of \$32,772.17 to Bro. Reggie and Sis. Miranda. There is always a need to help our camps because of the salvation of souls, those surrendering their lives to the ministry, and the refreshing fellowship we get from our time at camp. Keeping the ice cream machine going and getting the bathrooms updated is certainly a benefit as well.

The first quarter funds of 2022 went towards helping Summit in Springdale and the offering was \$39,637.84. Bro. Todd Anderson and Summit in Pine Bluff are thankful for the support, as are Bro. Micah and the people at Summit in Springdale. They have paid the land off in Springdale and are now focusing on their new building.

The second quarter went to Pathway in Fayetteville for the Central Project. They organized this past spring and have taken this project on to help their Thrive campus ministry on the campus of the U of A. We presented two checks to them, one from ASMP offerings for \$38,311.44 and one through Brotherhood Mutual for \$7,143.

The Brotherhood Mutual dividend funds this year were \$50,000 and it was split seven ways: Pathway in Fayetteville, Grace in Jonesboro for MBSF, Summit in Pine Bluff, Budd Creek, Bogg Springs, Cornerstone in El Paso (Reynosa, Mexico), and the MB Seminary in Little Rock.

The third quarter funds are going to Flatwoods in Mt. View to help Bro. John Pinkevich in Lida, Belarus. The work was started in Bro. John’s home and they have grown to the point of needing a building. This is the quarter we are currently in and I do not have a total to report. Bro. John requests prayer that Russia will not force their men into this war with Ukraine.

The fourth quarter will go to help Summit in Springdale and the first quarter will go to help Bro. Scott Bourland in Hope, Indiana. Please contact me with any questions you may have. Thank you to those who have given to the salary fund and if you would like to contribute, please send your gift to First Baptist Church at PO Box 124, Cave City AR. 72521.

God’s Blessings,

## **Arkansas Mission Builders Association**

Sponsored by the Center Missionary Baptist Church

60 Cole Rd

Rison, AR 71665

September 2021 – August 2022

The Arkansas Mission Builders have enjoyed another good year of fellowship and working shoulder to shoulder to help our fellow laborers in the work of the Lord. Psalms 127:1 Except the Lord build a house, they labor in vain that build it. Despite national unrest and global uncertainty, God has been good and provided in all things. Plentiful funds continue to be received from many churches. Building projects and church expansions may have slowed or altered during the last year, but they have not shut down. Each offering received is an encouragement to the builders to keep moving forward as The Lord leads and directs.

We have been privileged to help at the following churches and camps this year: Poyen, Bethlehem, Corinth, Greenwood, Budd Creek Camp, and Bogg Springs camp.

Future plans for the builders will include upgrading of tools and replacing one of the diesel work trucks. We are most grateful for the continued interest of the churches and the new workers that have joined our group this year. This keeps us going and helps to offset the sadness when faithful workers are no longer able to help because of health issues.

Part of the work of mission builders has been to come on-site at church plants and help church leadership evaluate needs and the best way to meet those needs. Many churches are able to go forward on their own. If we can ever be of help to your church, please give us a call.

Trusting Him,

**Annual Report of the  
Texarkana Baptist Children's Home Trustees  
to the Messengers of the Churches of  
the State Association of  
Missionary Baptist Churches of Arkansas**

Greeting to Church Messengers and Guests:

The outreach of the churches to needful children continues to be a blessing to the kiddos, the caring and administrative staff, and to the churches who support it with finances, prayers, and in-kind support. The trustees are happy to report the following as specific areas of improvement to your ministry. Here then is an update on children of the Home, staff, building and grounds, farm, and counseling center.

**KIDS:** Several of the children have been saved and subsequently baptized at Northern Hills Missionary Baptist Church. We praise God for this reality of precious young souls now bound for heaven. We continue to minister to many children through the Miller County Department of Human Services. All the children enjoyed a fun vacation at Beaver Lake in Oklahoma this year. Churches are encouraged to recommend needful children to this marvelous Home of a safe, spiritual, and physical environment, and educational opportunity.

**STAFF:** The Home has adequate room for more children than we receive, but it cannot be done without adequate caring staff. We do have additional house parents coming in the next few weeks as soon as they can arrange the placement of their physical goods. Messengers are asked to make these opportunities known in the churches for those who may wish to spend some time in this ministry. We are all happy to have staff members who stay with us for many years. Crys Adams, office manager retired after twenty-three years of superb service to the Home. Deby Turrentine has been hired to fill that position and will be the initial contact person receiving calls.

**BUILDING AND GROUNDS:** The generosity of a loving church in East Texas had made it possible to have emergency generators installed for the dorms. A very special Thank You goes to Michael Dial of Delta Manufacturing and Engineering for the construction of a beautiful 1,000 sq. ft. pavilion at our playground area. Mr. Dial donated all labor and materials. His team consisted of Clay Woodyard, Michael Walker, Ivan Lemons, and Jahmar Knight. Furnished with composite wood outdoor furniture, it is a beautiful addition to

( Report #9 cont. )

the campus and a cool place for outdoor play.

**FARM:** The hay meadows have been productive and a new piece of equipment is being tried out for making the hay go much further. It should help us make it through the winter. Several head of cattle have been sold this year and some purchased to keep the herd healthy. Doney Blackerby and Byron Myers are keeping the farm operation in good shape.

**COUNSELING CENTER:** The sewer systems at the counseling center have reached the end of their service and replacement became necessary. A new system at the four-plex has been installed and a new one for the duplexes is being installed. Cost for the two systems is about \$40,000.00. Only one apartment remains available for a needful, qualifying couple or single. Any ministry couple or single needing it should contact the trustee chairman, Allen Hagood.

The trustees and staff express deep thanks for your confidence in us to administer the operation of the Home on your behalf. Please keep us all in your prayers.

Respectfully Submitted,

### INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

September 30, 2022

Board of Trustees  
Texarkana Baptist Orphanage  
Texarkana, AR 75504

I have compiled the accompanying statement of cash receipts and disbursements of the Texarkana Baptist Orphanage, Inc. (a non-profit corporation) for the year ended August 31, 2022 in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statements have been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. I have not audited or reviewed the accompanying financial statements and, accordingly do not express an opinion or any form of assurance on them.

Management has elected to omit substantially all the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the company's assets, liabilities, equity, revenue and expenses. Accordingly, the financial statements are not designed for those who not informed about such matters.

The accompanying schedule of cash and investments is supplementary information presented for the purposes of additional analysis and is not a required part of the basic financial statements. I have not audited or reviewed this supplementary information and express no form of assurance thereon.

## 2022 Youth Camp Report

Moses gave instruction to the nation of Israel concerning the teaching of the Law to the Jewish children, “And ye shall teach them your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, when thou liest down, and when thou risest up.” [Deuteronomy 11:19] Unfortunately “Church” camp may be the closest example of this principle many children will experience today. Camp provides children, teens, and adults the opportunity to spend intense time with the Lord, and this has proven over the years to have life changing effects on people. Bogg Springs and Budd Creek Youth Encampments have resulted in thousands of decisions for Christ over their years of service and with our support, they can continue to provide a much needed relieve from the world around our children.

This year’s attendance to our Youth Camps has improved and is approaching pre-COVID numbers with over 7100 campers attending our two camps. We rejoice in the estimated 550 professions of faith and many young men who surrendered to the ministry. God is good and we praise Him for these decisions. What is also exciting is the number of lives that received a positive influence for the Lord. Only God knows the true impact of our Youth Camps.

It is our prayer that the Churches of the Arkansas American Baptist Association will promote attendance to and support of our Youth Camps. These camps are incredible tools to help shape our young people into men and women of God. Please don’t miss this opportunity. Let us also remember to pray for our camps and their directors and staff.

The very nature of our Youth camps requires constant upkeep and improvement. Bogg Springs is in the process of updating and improving the wiring for the sound and lighting in the worship center as well as the carpet in the worship center. Budd Creek is continuing with bathroom remodels and replacement of aging air conditioning units. Let us not forget the normal off-season repairs that must be completed each year. May each of us endeavor to support Bogg Springs and Budd Creek Youth Camps with our prayers, labor, and finances. May God Bless our Youth Camps and those who work so diligently each year to provide outstanding opportunities for our youth to learn about and meet our

Lord and Savior Jesus Christ.

## **MBSF Report**

### 2022 Annual Report

Dear Brethren of our associated work of churches,

Records indicate that in Summer of 1954 the first Missionary Baptist Student Fellowship (MBSF) was started on the campus of Arkansas A & M College, which is now known as University of Arkansas Monticello. In the early part of 1955, the beginnings of an MBSF ministry started on the campus of University of Arkansas, in Fayetteville, with Central Baptist Church initiating the program. By 1967 there were MBSF ministries operating on twenty-six campuses in Arkansas, Oklahoma, Louisiana, Texas, and Missouri. In 1975, it was reported that a decrease in these ministries had happened, but that there were eight MBSF ministries, in Arkansas, still in operation and healthy.

Obviously, much has continued to change, as we are now in 2022. It is easy to fall into the trap of trying to determine and discern if the changes are good or bad. The truth, the opinions are to vast and every single one of the Lord's sheep likes to make noise. It is encouraging to share with you what has been discovered. The recorded purpose statement for the original 1954 MBSF in Monticello is as follows: "(1) to help students of this faith to keep in touch with their own churches in this vicinity and (2) the salvation of souls and Christian influence on the college campus."

Amongst your current MBSF Directors, the opinion is held that these two statements of purpose hold true presently and have persevered. Take joy in that simple but deeply meaningful view. Ultimately, success is determined by Jesus our Lord, and He has set the bar at the salvation of souls and discipleship. This makes the outreach of each MBSF so vitally important. This is a ministry that impacts eternity and advances the kingdom of God. Some might even consider this a work on the front lines of spiritual warfare.

I love the State Association of Missionary Baptist Churches of Arkansas, and especially MBSF. Without the first we would not have the other, to the extent it is today. I proposed this to my sending church recently: "Do you believe we are the best?" I do not mean that in relationship to pride, but of confidence. If we are not 100% behind our association, church, or ministries (like MBSF) then why waste the time and resources. I tell you this now, in hopes, that it motivates you to be passionate for what God is doing here and now.

Consider this statement presented by Floyd E. Baker, H.L. Abercrombie, and Mike Crane in the "1975 Minutes & Yearbook." As the closing statement for that past report, I repurpose it now to close this one. It is my prayer you take it to heart and heed the advice of great men. "This year God has blessed our MBSF work in Arkansas by college students being saved, men surrendering their lives to the gospel ministry, and others becoming more concerned about their Christian responsibilities. We would commend the MBSF work to our Missionary Baptist Churches and encourage them to support the work with their prayers, help, and finances."

In Christ,  
Daniel Ward

## **Interstate and Foreign Mission Report**

The Holy Scriptures state in Matthew 28:19-20 that it is our responsibility to make, baptize, and teach disciples. In Acts 1:8 we are given the formula by which we are to accomplish this mission. While it is absolutely vital that we preach the gospel in our hometowns, counties, states and neighboring states, Acts 1:8 also commands us to preach the gospel to “the uttermost part of the earth”. How are we to accomplish this overwhelming task?

Paul commended the church at Philippi for their generous giving during his missionary journeys. He said of that church, “Notwithstanding ye have well done, that ye did communicate with my affliction. Now ye Philippians know also, that in the beginning of the gospel, when I departed from Macedonia, no church communicated with me as concerning giving and receiving, but ye only.” (Philippians 4:14-15) When we as churches give to missionaries, then we share in the preaching of the gospel to “the uttermost part of the earth”.

From the office of the Secretary of Missions in Texarkana we have facts and figures that illustrate the participation of churches of the American Baptist Association in reaching the lost throughout our nation and around the world. The churches are diligent to spread the Good News in Arkansas and the rest of the world. For the 2021-2022 associational year, 154 missionaries and Mission Ministries were “endorsed to minister in 28 states and 29 foreign countries” - with 13 new missionaries on the field. 5256 professions of faith, 635 baptisms, 10 church plants and 12 churches organized are reported by our missionaries.

This year’s Thanksgiving Offering Goal is \$325,000 and churches are encouraged to receive this offering on or before Sunday, November 27th – to be mailed to the Secretary Treasurer of Missions. Our ABA endorsed missionaries are doing the Lord’s work in their respective fields and it is our blessing to have the opportunity to support their efforts. Our missionaries, their families, mission helpers and the various assisting missionary ministries are working hard to explain the truth of “whosoever shall call upon the name of the Lord shall be saved” to children and adults around the globe – let us work as hard to support those who are bringing “glad tidings of good things”.

## **Christian Education Report**

The devotion to education among our work is outstanding. This devotion stems from a recognition of Jesus' devotion in teaching His disciples and then commanding those very followers to "Go ye therefore, and teach all nations...to observe all things whatsoever I have commanded you" (Matthew 28:19-20). There is no furthering of Christ's Kingdom apart from christian education.

Numerous resources are available to aid God's people in the study and application of God's word. Supporting christian education through such partnerships is a worthy endeavor that is Scripturally sound. Following Pentecost there was a visible commitment as believers "... continued stedfastly in the apostles' doctrine..." (Acts 2:42) going so far as selling possessions so that those who had journeyed to Jerusalem for Passover might remain longer than anticipated so that they might hear and learn more (vv. 46,47). This devotion led to an increase in people coming to the Lord (v. 48). Paul, following his instruction of believers, would even send teachers back so that they may grow through education. Timothy was sent to Philippi (Philippians 2:19), Corinth (1 Corinthians 4:17), and Ephesus (1 Timothy 1:3) in order to teach what he had been taught already. There is a direct correlation between the saints devotion to education and Kingdom growth.

Many of the resources available are well-known, but it never hurts to be reminded of such things. These resources include, yet are not limited to, christian literature, Bible studies, Sunday School curriculum and devotionals, seminaries, workshops, and training ministries. Christian education is a solid means to equip both church members and pastors in studying and teaching God's word. Within the very state of Arkansas there are seminaries offering a variety of courses structured in such a way that individuals can work around their personal schedules, all the way from in-person to online courses. Lodging is even available at certain locations. Other state-wide ministries such as Missionary Training Module (MTM), HomeBuilders Ministry, and the work of Students International Missionary Baptist Seminary School (SIMBSS) seek to provide alternative learning environments in teaching God's people. Numerous conferences have been created to provide encouragement and equipping as well. The majority of these works are supported through the partnership of local churches who have committed themselves to furthering Christ's Kingdom through education. This support, however, is pointless without students to teach. Educational ministries need both partners and participants. May the commitment of the State Association of Missionary Baptist Churches of Arkansas include financial partnerships as well as making use of the various works. May God bless the endeavors of the Lord's churches as they continue their commitment to the word of God through their commitment to the works of God.

## Publicity Director's Report

I consider it a honor to serve our association as Publicity Director for another year. I am thankful for our association of churches. Together we are advancing the kingdom of God across the state of Arkansas.

Every year has it's own unique challenges. This year I had a greater amount of mail outs return because of a wrong address. Out of 500 envelopes mailed I had 40 returned. I want to encourage every one to double check your mailing address in the directory of churches. I know that many of you will go to the web site to fill out your church letter form and that is helpful and easy to do, but we still have many churches that wait for the church letter form to come by mail. It is expensive to send by mail and at some time in the future we will need to have a conversation about ending the mail out each year.

Next year we will meet in Springdale AR at the Holiday Inn. It is a location that we have used before. The meeting will be held in the Holiday Inn conference space. They cost for meeting space will be around \$10,000.00 depending on our AV needs. We have a room block that we will need to fill, so I hope you will attend and help us fill our room block. Room rates will be \$129.00 up to \$149.00 depending on your choice of room. Our host church will be Pathway Baptist Church.

I want to express my appreciation to Sharon Missionary Baptist Church for serving as our host church this year. Being able to meet here saves us money and it's a wonderful place for us to meet.

Thank you for allowing me to serve another year.

## Memorials Report 2022

“And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them,” (Revelation 14:13). We honor our brothers in Christ who faithfully labored for the advancement of God’s Kingdom. We thank God for their example, leadership and love for Christ. Many of these we remember here today have poured their heart and soul into ministry, which brought about joy and hardship. The sacrifice of time with family, the countless hours of sermon preparation, counseling appointments, mentoring and discipling others including a multitude of other ministry demands inspire us to persevere in this age. The Apostle Paul declared, “I have fought a good fight, I have finished my course, I have kept the faith,” (2 Timothy 4:7). Let us remember their families, churches and friends in our prayers! May God’s peace and grace comfort their hearts! May the memories of their faithful service cause each of us to love the Lord our God with our all our mind, soul and strength!

## **“A DECLARATION OF THOSE THINGS MOST SURELY BELIEVED AMONG US”**

1. We believe in the infallible verbal inspiration of the whole Bible, II Timothy 3:16, 17.
2. The Triune God, Matthew 28:19.
3. The Genesis account of Creation.
4. The Virgin Birth of Jesus Christ, Matthew 1:20.
5. The Deity of Jesus Christ, John 10:30.
6. The vicarious sacrifice of Jesus Christ, Hebrews 2:9.
7. That salvation is wholly by grace through faith in Christ, Ephesians 2:8, and that all believers are preserved eternally, I Peter 1:5; John 10:27-30.
8. The bodily resurrection and ascension of Jesus, and the bodily resurrection of His saints, I Corinthians chapter 15; the second coming of Jesus Christ, personal and bodily, as the crowning event of this Gentile age, Acts 1:11, to set up His kingdom on earth and to rule upon the earth one thousand years, Revelation 20:6.
9. The Bible doctrine of eternal punishment of the finally impenitent, Matthew 25:46.
10. A Scriptural church is a visible assembly of baptized believers, covenanted together under New Testament law for the purpose of carrying out the Great Commission, with an unbroken history from the personal ministry of Jesus on earth to this present day.
11. We hold what true Baptists have ever held: That the Great Commission was given to the churches only; that in kingdom activities the church is the only unit in associated work; that each church should exercise equal authority; and that the churches should meet their responsibilities according to their several abilities.
12. All co-operating bodies, such as Associations, Conventions, boards, committees, etc., are and properly should be servants of the churches, Matthew 20:25-28.
13. Scriptural Baptism is immersion of believers, administered by a New Testament Church; the Lord's Supper is a memorial ordinance, restricted to faithful church members.

# MISSION POLICY

## **Section 1. Purpose.**

The purpose of this Mission Policy is to assist in the establishment of indigenous New Testament churches and to encourage the mission endeavors of the churches.

## **Section 2. Mission Committee.**

The Mission Committee, as provided for in Article VII Section 1 of the Declaration of Principles, shall regularly meet on the first day of the annual messenger meetings and on the last day of the annual messenger meetings after the standing committee has been duly elected.

Upon petition of five (5) members of the standing committee, the Chairman shall call a special meeting. Prior notice of such meeting shall be publicly announced in recognized state Missionary Baptist periodicals, and the Clerk shall notify in writing each member of the standing committee.

It shall be the duty of this committee to receive recommendations made by the churches for men to serve as recommended Missionaries, and any other information concerning the Missionary the recommending church will supply. Each member of the Missionary Committee will be assigned to hold a quarterly conversation with one of our state missionaries as assigned by the Missionary Committee Chairman. These members will seek ways to pray for, encourage, and provide support to our missionaries. No more than three members will be assigned to each missionary. Remaining members may be assigned to contact other ministries.

## **Section 3. Recommendation of a Missionary.**

A church that is associated and subscribes to the Principles of the churches of the State Association of the Missionary Baptist Churches of Arkansas may recommend a man as a Missionary to the messengers of the churches. A written recommendation from the church submitting the name of an ordained man who is a member of that church must be received by the Clerk of the Missionary Committee at least thirty (30) days prior to the annual messenger meeting before the Missionary shall be considered by the committee.

Those Missionaries recommended for salary by the messengers to the churches shall receive salary set by the messengers as funds are available. They shall keep a record of funds received toward their salaries and report such monthly to the Treasurer. Checks shall be sent to the sponsoring church upon the receipt of the report. The Treasurer shall send a quarterly composite state mission report to recognized state Missionary Baptist periodicals to be published.

Those Missionaries recommended by the messengers to the churches to receive designated funds shall receive all funds designated to them as received by the Treasurer. They shall report monthly all funds received on the field toward their salaries to the Treasurer. Checks shall be sent to the sponsoring church.

First, in the event a Missionary becomes incapacitated, he shall receive full salary for six (6) months, upon request by the sponsoring church.

Second, in the event of the death of a Missionary on salary, his salary shall be given to his widow or dependent children for the ensuing six (6) months as funds are available.

#### **Section 4. Responsibility of the Sponsoring Church.**

It is the responsibility of the recommending church to take the lead in publicizing the needs of their Missionary and raising funds for the various projects as well as the salary of the Missionary.

It is the annual responsibility of the recommending church to furnish a written recommendation for their Missionary to the Clerk for the Missionary Committee thirty (30) days prior to the annual messenger meeting.

#### **Section 5. Full Salaried Missionaries**

Each full salaried missionary is considered a full time missionary, devoting full time to his mission work. He shall not at any time engage in full time or part time secular employment.

#### **Section 7. Recognition of Church-designated Missionaries.**

We recognize all church designated Missionaries as Missionaries, whether or not they are recommended for the support by the messenger assembly.

#### **Section 8. Missionary Support and Training.**

As funds are available above paying salaries, each salaried and designated Missionary will be reimbursed up to \$500 annually for ministry/leadership development expenses. These may include seminars, retreats, travel expenses to attend such events, books, or other training material. Expenses will be submitted to the Treasurer for reimbursement.

**Section 9. Suspending any section of the Mission Policy.**

Any section of the Mission Policy may be suspended provided the change is presented in writing on the first day of the annual messenger meeting and tabled until some subsequent session and then adopted by a majority vote of the messengers.

**Section 10. Amending the Mission Policy.**

This Mission Policy may be amended at a regular messenger meeting of the association by a majority vote of the messengers, providing the amendment be offered in writing on the first day of the messenger meeting, tabled, and acted upon some subsequent session.
