Dear brethren,

I want to take a moment to apologize for not getting a financial report out for a few months. My time has been consumed with family, pastoring, and building a new church building. I will try and catch everyone up with the reports from the missionaries and numbers for the financial account.

As most of you know, our association took on two new missionaries in November. We now have four fully supported missionaries and one partially supported missionary. Once we took on these new missionaries, our budget each month became \$22,850.00. Since January, Summit in Springdale has decided to give \$500 towards Bro. Micah's support. Our new budget is now \$22,350. Remember that we as the association do not pay a salary, nor do we send the monthly support directly to the missionary. We support the sponsoring church by giving funds to them and letting them give to their missionary.

Monthly offering received:

January- \$15,532.18

February - \$22,760.36

March - \$15,893.84

April – \$16,058.61

May - \$18,904.12

Total received for this time period is \$89,149.11.

Total paid out for this time period is \$111,750.00.

As you can see, we are failing to meet budget each month. In February and May, there was money given towards the May mission goal. We are thankful for the money given towards the mission goal, because of this, our monthly budget deficit dropped from \$6,500 to \$4,500.

We have had a few churches increase support and several new churches pick up support, but we have had several decrease support or stop giving altogether. Please pray with me over this. WE NEED YOUR HELP!
