

Arkansas State Missions

Monthly Report

It is hard to believe that we are in the month of September. This begins the new fiscal year for missions.

We are excited to see what God has in store for our churches this year.

Monthly reports are up on the website. They can be found at armissionarybaptist.com on the resources and reports tab. Once on that tab, scroll to the bottom of the page and you will see both the mission's report and the financial report for each month. Each month the page will refresh and the new report will go up, but if you need the report for a previous month, please contact me at arbcstatemissions@gmail.com or you may call me at 870-589-0673 to get a copy of requested information.
